

UNIVERSAL GLAZING & CLADDING

is one of the leading organizations that provides with glazing and cladding solutions to top builders with a cumulative 20 years of experience in the façade and glass industries.

ABOUT US

Universal G&C is one of the leading organizations that provide with glazing and cladding solutions to top builders. The founders of Universal G&C have a cumulative 20 years of experience in the façade and glass industries. With our unmatched experience and unwavering stand on quality, we are true partners in glass and aluminum curtain wall systems for any large-scale or industrial scale construction projects.

Universal G&C was founded by Mr. Raja and Mr. Krishna Kumar. While Mr. Raja has a core 15 years of industrial experience in the field of glazing and cladding, Mr. Krishna Kumar takes care of all the support and liaison activities making the operations seamless.

OUR VISION

To be a pioneer in the field of façade and glass industries by providing our clients with unmatched quality in all our products and services.

OUR MISSION

- We resolve to provide practical design solutions by encouraging our team to utilize their technical expertise to the fullest.
- We engage with Architects, Fabricators, Engineers and Building Professionals individually and keep abreast with the latest developments in the market while providing value for money.

OUR QUALITY MOTTO

As a policy, Universal G&C uses only high quality and high performance glass, aluminum and other glazing and cladding products. While constructing the façades and all other structures, we at Universal G&C uphold the highest standards by constantly looking for best practices in the world of glazing and cladding.

OUR SERVICES

- Structural Glazing using Stick-type, Semi-Unitized and Unitized System according to type of building and client preferences.
- Aluminium Composite Panel Cladding with all types of Aluminium Composite Panels.
- All types of Aluminium Windows, Doors, Partitions, Louvers and Ventilators.
- All types of Shop Glazing.
- Spider Glazing, Patch Fittings and Spider Fittings.
- Curtain Wall Glazing using Single or Double Glazed Glasses.
- Special Hinged Partitions using Toughened Glasses.
- Interior Decorators
- Sky Light

OUR TEAM

The cumulative experiences of more than 40 resources we employ and our ability to assemble as many temporary resources as needed speak volume about our team strength and our long standing repute.

OUR POLICY ON SOURCING

End users are increasingly aware of the materials that get inside, the specifications, the aspects of maintenance and everything about glazing and cladding. Despite this, we have inculcated the habit of sourcing the right materials from the best manufacturers in the category. Our line of experience has guided us in selecting the best materials for the job and we never compromise on it under any circumstances.
